What is DCI?

- DCI is a timekeeping software designed to meet the EVV requirements prescribed by the 21st Century Cures Act
- DCI was built for caregivers, by caregivers.
- DCI can collect EVV using either a mobile app, landline phone, or fob device.
- Contact your program coordinator to learn the approved EVV methods for your program
- DCI mobile application is easy to use and doesn't take up a lot of space on your smartphone
- DCI also can help manage your authorizations so you always know where you are at
- DCI saves you time from having to submit paper timesheets
