

How to Create Google Email Account

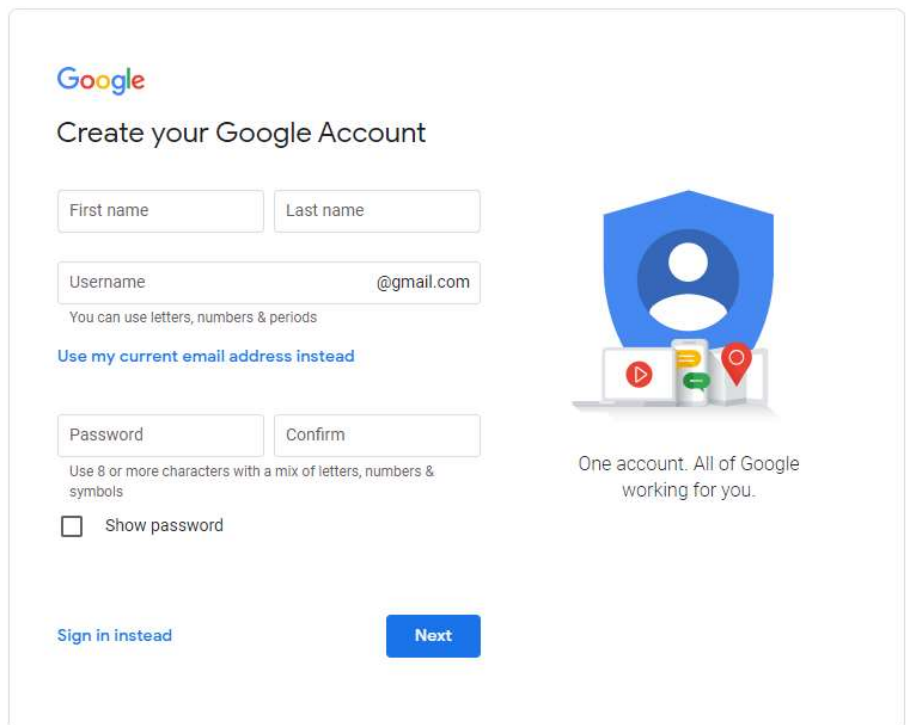

There are many free email account providers. The most common is Gmail by Google.

This is a completely free email address that is very user-friendly.

Gmail is also available on your Android and iOS smart phone/devices.

Click the link below to register for a free Gmail account:

1. Enter First Name
2. Enter Last Name
3. Enter a username that you decide
4. Enter Password
5. Confirm your password
6. Click Next

The screenshot shows the Google Account creation interface. At the top, the Google logo is displayed, followed by the heading "Create your Google Account". Below this, there are input fields for "First name" and "Last name". A "Username" field is shown with "@gmail.com" as a placeholder, and a note below it states "You can use letters, numbers & periods". A link "Use my current email address instead" is provided. Below the username field are "Password" and "Confirm" fields, with a note "Use 8 or more characters with a mix of letters, numbers & symbols" and a "Show password" checkbox. At the bottom left is a "Sign in instead" link, and at the bottom right is a blue "Next" button. To the right of the form is a graphic of a blue shield with a white person icon, and below it, the text "One account. All of Google working for you." with icons for YouTube, Gmail, and Maps.
