Staff - How to Find a Provider's Uni ID QRG v2.pdf

OR PTC DCI uses the Uni ID from DHR as the unique identifier for all providers, shown in the employee number field on their profile. This allows providers who perform services as a Homecare Worker and/or a Personal Care Attendant to utilize the OR PTC DCI system with a single login. The PTC Support team uses the Uni ID to create provider profiles in OR PTC DCI.

Locate the Provider's Uni ID in DHR:

1. Log into DHR/Mainframe.
2. Enter: PRV8 and the Provider Number.
3. The provider's Uni ID is on the right side of the screen, next to the FIPS Cnty code.
