

January 2022 Release Notes

A DCI maintenance release will occur on **Friday, January 28th**, which will require a mobile app update. There are **no** new features included in this release.

The mobile app update will be available to all users as early as **Friday, January 28th**. To ensure all users are on the most up-to-date version, users will be forced to update their mobile app as early as **Saturday, January 29th**.

Although this is a maintenance release, it still requires a bit of downtime and an app update. The system will be unavailable to all users from **Thursday, January 27th at 11:30 PM to Friday, January 28th at 1:30 AM MST (2 hours)**. We apologize for any inconvenience this causes.
