March 2022 Release Notes

There will be a DCI Web Portal release **Tuesday, March 29th**. There is no mobile app update required for this release.

While most of the features of this release happen behind the scenes, we are pleased to inform you of enhancements to our reports. We have added columns and/or filters to the reports listed below. In addition, we have reordered the columns in these reports where necessary.

- Billing>Rollups Detail Report

- Group Service Profile Report

- Group Service Attendance Report

- Residential Attendance Report

- Day Attendance Report

Our report guide will be updated to reflect the changes to the reports. You can access the report guide by clicking on the Help Center and then entering Reports into the search criteria.

As a heads up, we will be updating our release maintenance time window to EST from MST going forward.

This release requires a bit of downtime. The system will be unavailable to all users from **Tuesday, March 29th from 1:30 AM to 3:30 AM EST (2 hours).** Please reach out to your DCI Account Rep if you have any questions.
