

# Reimbursements - Create and Update Service Codes to Allow Reimbursements - FI Mode Only

---

**Description:** In this topic, the user will learn how to create and update service codes to allow reimbursements. Reimbursements allow approved clients and employers to submit payments for reimbursement, per a client's authorization. Reimbursements can only be created for dollar-based hourly service codes that allow them.

**Role Required:** Super User

**Permission Required:** Funding Source Admin

**FI Mode Only**

## Create a New Service Code to Allow Reimbursements

1. Log in to the DCI web portal
2. Select **Settings** from the main menu
3. Select **Funding Sources** from the submenu
4. Click **Actions**
