***Reminder* DCI Mobile App Minimum iOS Operating System Version Update**

The DCI mobile app will be updating the minimum required operating system for iOS. This change will take effect on **Wednesday, September 13, 2023**. Changes to the minimum required operating system for iOS are required for the DCI mobile app to function as expected and to keep up-to-date with the minimum operating system versions which Apple will support.

Please communicate the minimum requirements of the Apple (iOS) operating system for the DCI mobile app to your organization.

Please note that if the user's operating system does not meet the minimum operating system requirements for the DCI mobile app when the change takes effect on **Wednesday, September 13, 2023**, they will be prompted to update their operating system before using the DCI mobile app.

*Previously:

- Apple
 - Operating System: iOS version 13.0 or later

*New:

- Apple
 - Operating System: iOS version 14.0 or later
